

Istraživačka stanica PETNICA Science Center

Stručni tim Istraživačke stanice Petnica je odmah nakon proglašavanja vanrednog stanja i početka potrebe da smanjujući međusobne kontakte budemo u svojim domovima intenzivirao online komunikaciju sa našim polaznicima. Ipak smo želeli da i svima drugima koji imaju interesovanje za prirodne, društvene, tehničke nauke, i umetnost i dizajn, pripremimo sadržaje koji će pomoći da se naučne oblasti od interesovanja za naše polaznike online približe svim koji to žele.

Mi u IS Petnica duboko verujemo u samostalno istraživanje i učenje i trudimo se da polaznike obučimo da se sami snalaze na svom naučnom/inženjerskom putu. Pozivamo vas da, koristeći preporučene linkove, krenete u istraživačku avanturu. Naravno, ne očekujemo da će vas svi linkovi zainteresovati, ali ako želite da istražujete sami, nadamo se da ćete na listi pronaći neki koristan materijal.

Većina Petničkih seminara ima svoje diskusione forume, FB grupe, pa i to može biti kanal za informisanje. Na kraju ovog dokumenta su linkovi na naše društvene medije.
